# Safer Online Dating

[Safer Dates](#) is not your typical online dating site. Our goal is to educate our members in [online safer dating](#) - focusing on both your emotional and physical safety. Safer Dates is the first online dating website to offer a background investigation utilizing fingerprint identification and screening. Our members also have access to monthly articles, tips on safety and relationships; as well as, Q & A by our Team of Experts.

"Unlock the Past. Present. Future." Safer Dates provides you with the keys. With safety as our top priority, we strongly recommend that all members utilize the verification process available. Although nothing is 100% guaranteed, Safer Dates is committed to providing a [safer online dating](#) forum to benefit our online community.
