During the cold days of winter, many of us find comfort in the little break that Valentine's Day gives. In order to celebrate it to the best level, many individuals will purchase gifts for their loved ones. Children are no different with being given small gifts, candy and even money. And, they too want to give a gift and often give gifts such as cards that are handmade to their loved ones. Finding a special, meaningful gift is important though. When giving a gift for Valentine's Day, it is often important for you to think of a way to give them as clutter free a gift as possible. Think about it. As a child, for each Valentine's Day you got a stuffed animal. How much room do you have to receive yet another stuffed animal? Not to mention, getting the same type of gift year after year leaves individuals really not appreciating it either. Instead, there are other solutions of gifts to give. Think, clutter free gifts instead.

* Gift luxury. Great gifts to give a loved one for Valentine's Day are lotions, perfumes and bath gels. As long as they are in the smell and type that the individual likes, they will get used and will not be cluttering up the home. Make sure that what you give is enjoyed by the individual through. Know what they like before buying it.

* A Box Of Chocolates? Another non clutter type of gift for Valentine's Day is giving something that can be eaten. For example, chocolate or even a great fruit basket will work well. Think about what they enjoy, being conscious of diets and eating plans when giving these gifts though.

* Give the gift of time. Or, a coupon. For example, if you know your loved one would enjoy a meal for two and a nice movie, give the gift of a coupon made out just for that. Or, how about a back rub, a day off from the kids, or just some help around the house. These are useful and much appreciated gifts.

* Give the gift of writing. Those individuals that like writing notes to people or would enjoy a beautiful stationary set would love to have these given as gifts. You'll find them available in sets that contain beautiful ways to decorate it. If they enjoy scrapbooking, give them these things too.

* Think about the kids too. Don't leave kids out of the picture. What consumable things can you purchase for kids? Think about what they love. Cook pencils, great looking stationary, maybe even some new art supplies would be appreciated. Or, plan a trip to the zoo, a game of cards or other things to involve you spending time with them. Use the coupon theory here too.

When you do these types of things for your Valentines Day gifts, kids and adults alike are more likely to appreciate them, use them and keep their homes clutter free. It takes only a few minutes of thought to come up with the best clutter free ideas for your loved ones. These are Valentine's Day gifts that they will love.
